

Gugu Yimidhirr

This is a small selection of published scripture (Matthew 21:1-9) for the Gugu Yimidhirr language, thanks to Lutheran Archives Australia. This was published in 1888, and is therefore in the public domain. Gugu Yimidhirr is spoken by about 780 people, according to the Ethnologue. If you think that they and other minority language groups should have more than nine verses of the Bible in their own heart language, please consider joining or supporting a Bible translation ministry.
